Valuable council members

Dear Representative Byron Donalds. I am writing to you as a concerned citizen in regard to the possible dismissal of City Council members Terolyn Watson, Diana Giraldo and Darla Bonk.

I hope they are able to continue representing their districts 2, 3 and 6. They are valuable council members that represent "all people." Legal and illegal immigrants contribute to Florida's economy.

Please vote no on the dismissal of the above council members for doing the job that they were assigned to do "represent the people."

Ruby Hendley, Fort Myers
